Introduction

Boost your fencing skills with our Level 3 qualification, this qualification is for existing supervisors and installers looking to take the next step in their career.

Overview in brief

Working in the Fencing and Construction Industry gives individuals a wide range of career opportunities. This level 3 Diploma enables experienced Fencing Installers to demonstrate and evidence their key skills and knowledge at a Supervisory level.

The Lantra Awards Level 3 Diploma in Work-based Fencing is a Competency Based Qualification (CBQ) based on the fencing National Occupational Standards (NOS), which exist to ensure that personnel working within industry meet the required minimum standards.

This qualification will provide you with the knowledge, understanding and skills that reflect the working practices of fencing supervisors.

The finer details

This qualification has been developed to provide you with the opportunity to achieve a recognised national qualification that reflects the national standards for a variety of fencing roles.

This qualification aims to assess your knowledge, understanding and skills relating to:

- The regulations and industry standards relating to work-based fencing.
- Managing the establishment of line and levels.
- Monitoring and maintaining the installation of fences.
- Monitoring the quality of fence installation.
- Organising the fencing site
- Controlling the deployment of materials and components.
- Controlling resources in support of fence installation.
- Inspecting fencing to identify defects and repair options.
- Promoting, monitoring and maintaining health, safety and security in the workplace.
- Maintaining and enhancing productive working relationships.

The assessment will consist of portfolio evidence provided by the learner which could include, video and audio evidence, witness statements, practical observations and naturally occurring work-based evidence such as permits, Risk Assessments and Method Statements as well as recognition of prior learning undertaken by the learner.

Who should attend?

This qualification is for you if you have completed the Level 2 Diploma in Work-based Fencing - General Fencing or Vehicle Safety and are seeking to progress and develop your skills or are seeking to work in supervising work-based fencing.
